From the Editor

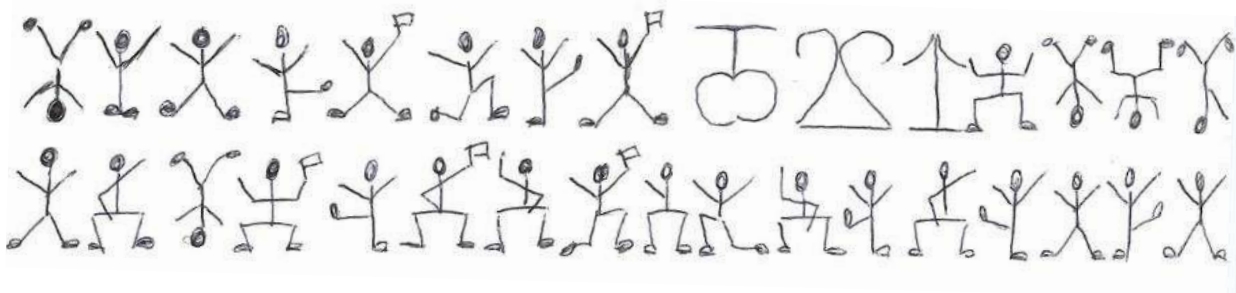

Welcome !

This is the first magazine of the LCE option! You will discover a great city, an extraordinary sport, a legend of handball, and an author from the 21st century.

We'll present to you the famous book which was popular in social media "Inheritance games". And you will read an article on a SF film, full of mysteries, and another one on the incredible life of Jennifer Lawrence !

At the end, you will play some games and cook some recipes.

We hope you're going to enjoy our magazine !!!

Athenes

A great city to visit

Monuments :

There, you can also find beautiful monuments like the Acropole. Inside there are Athena's temple, the Parthénon, and the Érechthéion. If you enjoy sailing, you can see the Athenes harbour, the Piraeus.

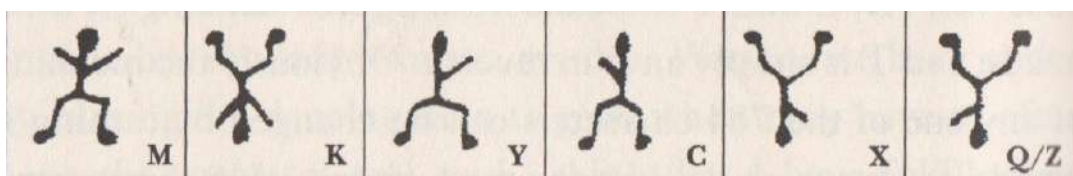

There, if you want, you can visit the Byzantin museum which tells about the Antiquity and the Middle Ages. It is linked to the General Directorate of Antiquities attached to the Greek Ministry of Culture.

In this city, you can eat tzatziki or a pita sandwich.

In tzatziki you have:

- .salt
- .cucumber
- .mint
- .pepper
- .lemon

RUGBY

Rugby is one of the greatest sports of all times.

It was created in 1823 by William Webb Ellis in the Rugby College in England. In 2022 there was 303 048 members in France.

In France, there is the Pro D2 championship and the Top 14.

There are also the Super Four confronting New Zealand, Argentina, Australia and South Africa. And also the Six Nations Tournament confronting England, Wales, Ireland, Scotland, Italy and France.

This is the FFR (Fédération Française de Rugby)

The biggest tournament is The World Cup where the 24 biggest teams of the world meet . The title holder is South Africa. New Zealand has 3 titles (1987, 2011, 2015).

France is the fourth biggest nation of rugby in the world behind New Zealand, Ireland and South Africa

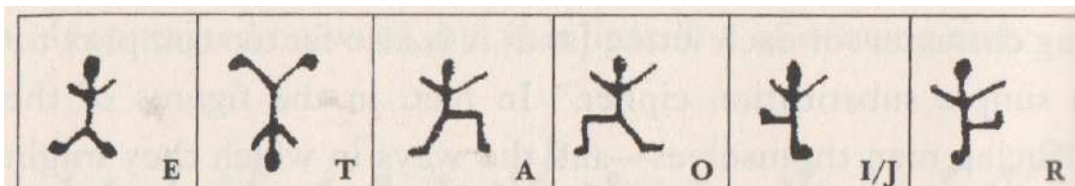

GREAT PLAYERS

Dan Carter is the biggest foot stitch scorer with 1598 points.

Jonah Lomu scored 185 points and 37 tries with New Zealand.

Bryan Habana can run at a speed of 32,4 km/h.

Antoine DUPONT has been elected on The Night of Rugby 2023 he played in the Stade Toulousain

Estelle Nze Minko *handball*

Estelle Nze Minko, born August 11, 1991 in Saint-Sébastien-sur-Loire, is a French international handball player, playing as a center half or left back. At club level, she has been playing in Hungary since 2019 at Győri ETO KC.

SHE WON EVERYTHING WITH
BLUE GIRL'S HANDBALL TEAM

Quotations

"I'd say that we won thanks to our courage and determination. Thanks to our experience and energy. We can also add experience and nerves! They were better than us, but we never stopped believing in it when others could give up. This team is only a group of friends who always show that if we love, we win."

AFTER
WINNING
AGAINST
THE
DENMARK

In 10 years, she has won two world championships (2017 and 2023), a gold medal at the Tokyo Olympic Games in 2021, a European Championship in 2018. Add to that three silver medals (at the 2016 Olympic Games, Euro 2020 and World Cup 2021) and a bronze (at Euro 2016).

IN THE BUS THAT
TAKES THEM
BACK TO THE
HOTEL, THE
FRENCH WOMEN
EXPRESS THEIR
JOY

It's also the team that unites us all and we are a real team. And thanks to that we can play an awesome match like this one. To be up to the intensity of a semi-final, the Danes fulfilled this role well by pushing us to the limit. This accentuates our satisfaction of having won.

WITH 35 GOALS AND 20
ASSISTS, SHE IS ONE OF
THE BEST PLAYERS IN
THE COMPETITION AND
GREATLY CONTRIBUTES
TO THE BLUES' GREAT
RUN.

Alice Oseman

Author

A stylized, handwritten signature of Alice Oseman in black ink.

Alice Oseman:

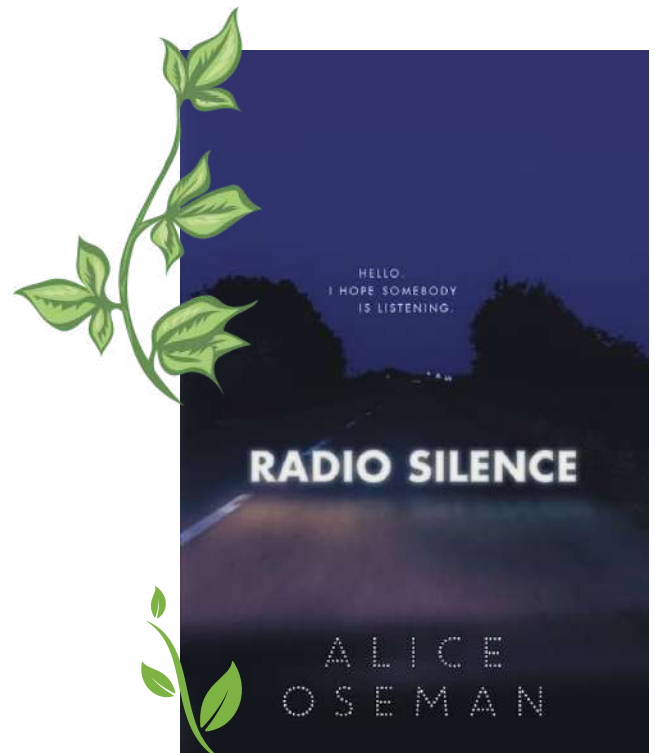

Alice Oseman was born on 16 October in Chatham, U.K. She published her first book, *Solitaire*, in 2014 at the age of 17.

From 2015 to 2023 she published 6 books: *Nick and Charlie*, *This winter*, *Radio silence*, *I was born for this*, the graphic series *Heartstopper* (5 books for the moment) and *Loveless*. Her last book, which was published in 2023, is the 5th book of *Heartstopper*. She is now working on the 6th and last book of the series. She has won a Book Award; Book Awards are recognitions for your book or series. She was also named the 2023 Attitude Person and the 2023 British Book Awards Illustrator.

Summary of *Radio Silence*:

I'm Frances, Frances the serious, the solitary girl, the discreet girl. I spend all my time studying. I have got one goal: to get into Cambridge after my A-levels. I'm Frances, the real Frances. I'm fascinated by the mysterious Silence Radio and its Universe City YouTube channel. I like to laugh and I like to draw.

And then I met Aled. When I'm with him I can be myself. With him, I'll finally have the courage to find what is really important for me.

By Héloïse

Inheritance Games

The author : Jennifer Lynn Barnes

The literary genre : Mysterious fiction

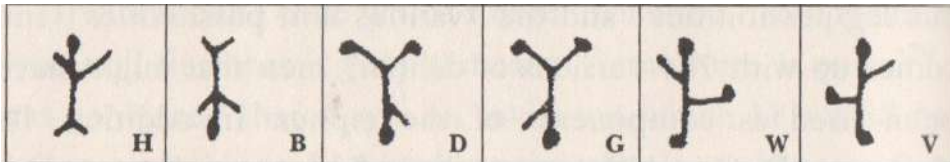

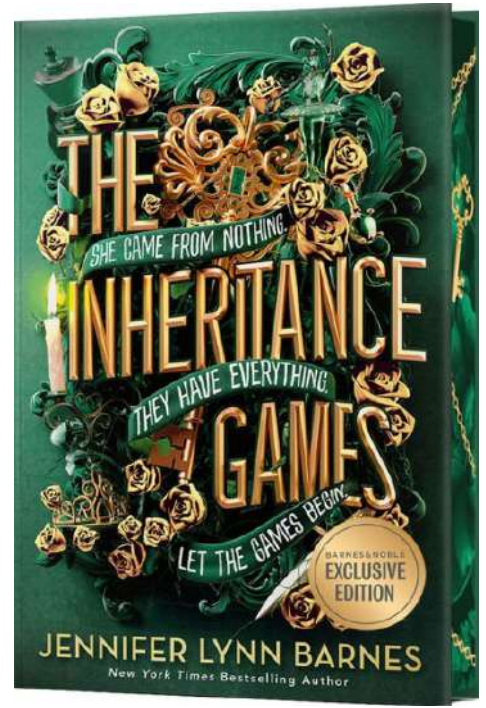

Avery Kylie Grambs is a normal high school student who dreams about a study grant. Her destiny dramatically changes when a man named Tobias Hawthorne gives her all his fortune ! It's very fine for her, but she has a problem : she doesn't know who his this man. She will meet his four grandsons... And the history can begin !

Lucie's opinions :

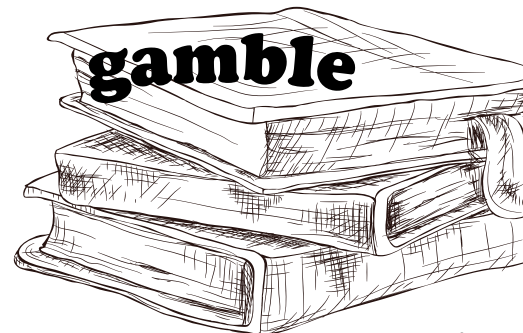

I think the characters' personality are unique and very appealing. But the characters' appearance are a little bit of stereotypes (the smooth operator character, the sunshine character, the bravest character, etc). There are many riddles, and it gives a lot of suspense. I'm really interested in this book, and I love it ! Well this story is very famous, and I know why.

Elisa's opinions :

When I read this book, I found it great but I think that the chapters are too short, so there are a lot of breaks in the story. I would like to see the point of view of the other character. You need to like love triangles to appreciate this book. There are a lot of plot twists which I didn't see at the first reading.

**A very risky
gamble**

Maze Runner

film

Presentation

Maze Runner is an American science fiction film released in 2014. It's a trilogy adapted from books by James Dashner. The film has been directed by Wes Ball.

Plot

Thomas, a teenage boy, wakes up inside an elevator without remembering anything. He discovers the world of the "Glade" and the "Gladers", all teenager boys really want to escape the maze which surrounds them. And then, he realize that there are many mysteries: why the elevator deliver each month a new boy? What are they doing here?

The Runners, who wander the maze must confront Grievors, biomechanical monsters who populate it. Thomas wants to be also a Runner, and search for an issue of their prison...

Jennifer Lawrence

Jennifer Lawrence is American. She was quickly fond of drama at 14 years old. Willing to launch her career, she tried to convince her family to move on to New York to get some money. She had to wait to be graduated for getting her first winning.*

Her beginning :

She started in the sitcom field "The Bill Engvall Show" which gave her a place in the cinema world. She got the lead character in Winter's Bone.

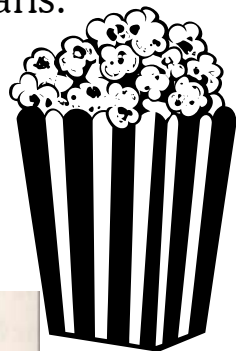

After that, she played in Ozark Mountains which gave her her first best actress Academy Award nomination.

A lot of prizes :

All in all, she won 50 nominations. Her most famous films are : X-Men, The Hunger Games, Don't Look Up and Red Sparrow.

Fun fact :

She is also known for being funny during interviews and with her fans.

4e recipes

By Daphnée, Ruben and
Maxime

Brownies - serving 6

Ingredients :

- Salt
- 4 Tbsp of Flour
- 10 Tbsp of Sugar
- 10 Tbsp of Butter
- 17,5 Tbsp of Chocolate
- 1 sachet of Vanilla Sugar
- 3 Eggs

Instructions :

- Preheat the oven at 350°F.
- Melt the chocolate with the butter.
- Whisk the eggs with the sugar until the mixture whitens.
- Add the flour, the vanilla sugar and the chocolate.
- Butter the cake pan and pour the batter.
- Put it in the oven and bake for 15min.

The chocolate cake

Ingredients for 6 servings :

- 5/6 cups of chocolate
- 6 tablespoons + 2
- teaspoons of butter
- +3 eggs
- 3 tablespoons + 2
- teaspoons of flour
- 6 tablespoons + 2
- teaspoons of white sugar

Preparation :

Preheat the oven at 350°F
First, in a saucepan, melt the chocolate and the butter cut in small pieces. Melt at very gentle heat.

Tip :

If you are in a hurry, you can melt the butter and the chocolate in a micro-wave.
In a salad bowl, whisk the sugar, the eggs and the flour. Pour the melted butter and chocolate in the mixture and stir.
Butter and flour your pan. Pour in the batter.
Bake for approximately 20-25 minutes.
The cake is ready even if it doesn't look so: the centre of the cake should be just cooked but still quite soft. Let the cake cool down completely and turn it out.

Remark (2):

You can cut the chocolate in little squares and serve it with custard.

Financiers - for 6 cakes

Ingredients :

- 1/3 cup of butter
- 2 Tbsp of flour
- 1/4 cup of sugar
- 2 egg whites
- 1/4 cup of ground almonds

Recipe :

- First preheat oven to 350°F.
- In a bowl, melt the butter at gentle heat.

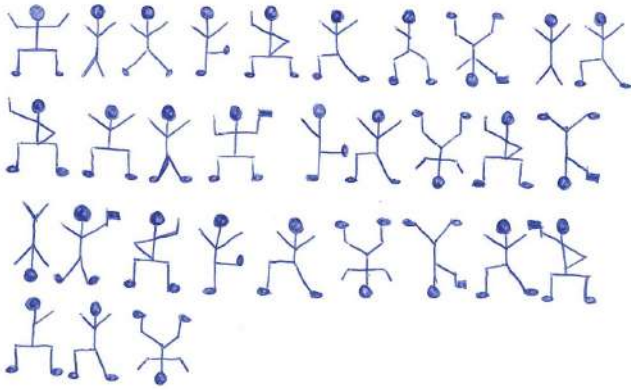

- Now, separate egg whites from egg yolks.
- Then, in a large bowl, whisk the egg whites and the sugar.
- Next, add the flour, the ground almond, the melted butter to the mixture and stir.
- Now, pour the batter in a financier pan.
- Let cool and enjoy !
- A little tip : you can make mayonnaise with the eggs yolks.
